### Academics

Miami Union Academy is the first choice of families seeking an exceptional Christian Education. We are a private Pre-K through 12th grade academy, committed to the vision of equipping each student for academic, social, and spiritual success.

Our teachers are all certified educators who follow the NAD curriculum, while incorporating both Common Core and Florida State standards in their lessons.

### Elementary School Department

Our parents continually boast on the excellence and rigor offered by our Pre-K to 5<sup>th</sup> grade classes. Our teachers intertwine spiritual development with core curriculum instruction.

### Middle School Department

Our middle school curriculum incorporates STEM education, places a heavy focus on the Language Arts, and provides a deepened study of the Bible.

### High School Department

Our high school provides an excellent college preparatory track, with a 95% graduation rate. With a one-to-one iPad program, the use of technology in our curriculum is of utmost importance.

### Student Life

Holistic education is a high priority at Miami Union Academy.

### Spiritual Life

As a Christian school, our students have open dialogues about their spiritual journey and are free to share their love for God. Together and with their teachers, they are able to seek a deeper understanding of what it means to be a Christian while practicing the fruits of the spirit.

### Extracurricular Activities

Our students are encouraged to participate in a variety of clubs and sports activities. We boast an amazing choir, several dynamic tier based bands, and some incredible student athletes.
